

Golden Care was incorporated and registered as a 501(c)(3) nonprofit corporation on August 28, 2001. We provide Adult Day Health Care and In-Home Health Services for individuals 18 years and older with physical and/or mental disabilities including medical fragility, Autism, Special Needs, Alzheimer's, TBI, and other cognitive issues. GoldenCare provides these services including transportation to and from the Adult Day Health Center to Lancaster, Kershaw, Pageland, York, and the surrounding counties.
